

# ACCIDENTAL DEATH & DISMEMBERMENT PLAN

## Plan B - \$75,000

*"It couldn't happen to me"*

No one expects to be involved in a serious accident, yet chances are that you know at least one person who has. Statistics Canada indicates that accidents are the third leading cause of death each year. If you survive a serious accident you could be faced with great and immediate financial problems in addition to loss of limbs, eyesight, speech or hearing. Paralysis or the loss of use of hands, feet, arms or legs also cause major setbacks in a person's life. Unfortunately, no one has control over the fact that an accident may happen. You do, however, have a measure of control over the financial outcome of such an event. By taking a few minutes to consider this plan you will allow yourself the freedom of choosing financial protection for you and your family should a major accident occur.

### Who Is Eligible

You and your spouse can apply for coverage if you are under age 85. Your acceptance into the plan is guaranteed - you cannot be turned down!
