EXPLANATION OF AUTOMATIC BANK DEDUCTION

Automatic Bank Deduction is a convenient way of paying your premium monthly. If you have more than one benefit plan or travel policy with Johnson Inc. ("Johnson") (or home and/or auto insurance policy) and if you are using the same account, all payments will be combined into a single monthly deduction, regardless of the renewal date.

Deductions

Deductions will be withdrawn on the 5th of each month or as a single payment, as applicable, but could be delayed due to processing with your own financial institution. Please note, your first deduction may include premiums to provide coverage from your effective date. Your coverage will remain in place unless you become ineligible or you cancel.

Policy Changes and Premium Changes

A change to a policy, including any renewal, cancellation, addition of new policies or change in coverage(s) can affect the amount of premium owing and likewise the amount of your deduction. Any such change will be explained to you in a Confirmation of Coverage letter. To allow for sufficient processing time, we recommend that any request for change in coverage(s) or cancellation be received in our office by the 15th of the month in order to affect the next billing cycle. If you require further details, don't hesitate to call your Service Supervisor, whose contact information will appear on your documents.

Insufficient Funds / Stopped Payment

When your deduction is withdrawn on the 5th of each month, if it is returned by your financial institution due to Insufficient Funds or Funds Not Cleared, we will attempt to collect the same amount from your account 5-7 business days later. This will give you another opportunity to have the funds available. If, on the 2nd attempt, your deduction is returned by your financial institution, your deduction will be processed as discussed below. Please note, your financial institution may charge you for each unsuccessful withdrawal attempt, depending on your fee plan.

Any deduction that is returned by your financial institution due to Insufficient Funds OR Stopped Payment will be subject to a handling fee. The missed deduction, along with the handling fee, will be collected with your next regular deduction. There are some exceptions for certain coverage, such as Medoc travel insurance, for which a missed deduction and handling fee will be spread equally over the remaining policy term deductions. In the event of multiple missed deductions, your policy may be cancelled by registered mail, in accordance with provincial regulations. You can arrange with your bank to have overdraft protection to prevent insufficient funds.

Important - Changes in Your Bank Account

If you make a change to your financial institution or account, you should advise us by the 15th of the month - this will ensure your next deduction is maintained without interruption. Or, alternatively, you could leave your old account open with sufficient funds until you see the deduction has been cleared.
