CLAIMS

1. ELECTRONIC SUBMISSION OF HEALTH CLAIMS

The Johnson Inc. Health and Dental card may be presented to your pharmacist who will bill Johnson Inc. directly for your eligible prescription drug expenses. At the time of filling a prescription, you will be responsible only for the payment of the coinsurance, and any drugs that are not eligible for reimbursement under the RTAM Extended Health Care plan. In the unlikely event that your pharmacist may ask you to pay for your drugs, please do so and then mail your receipts for reimbursement to Johnson Inc. using a claim form. The back of your health and dental identification card includes contact information for pharmacy use should your pharmacist have any questions or concerns regarding electronic submission of prescription drugs.

Johnson Inc. has entered into an arrangement with TELUS Health Solutions to offer eClaims, a secure, web-based way for extended healthcare providers to submit claims electronically for their patients. At this time, eClaims submission is available for the following extended healthcare services nationally: chiropractors, physiotherapists, opticians and optometrists, massage therapists, acupuncturists, and naturopathy providers. Please note that your paramedical provider needs to be signed up with TELUS Health Solutions in order for the eClaims service to be available.

2. NOTICE AND PROOF OF CLAIM

When the Plan Administrator receives a written completed claim form and appropriate receipts, payment will be made to the Insured Person, for charges for Eligible Expenses, upon submission of written proof of claim, satisfactory to the Plan Administrator, and subject to the terms and conditions of the Master Policy.

An Insured Person must submit a pre-authorization form completed by the attending Physician for any treatments, services or supplies which require the prior approval of the Plan Administrator, before a claim shall be paid.

Charges for Eligible Expenses submitted as a claim shall be considered to have been incurred on the date the person received the treatment, services or supplies, or incurred an obligation with the provider for such treatment, services or supplies.

Written proof of claim, satisfactory to the Company, must be submitted to the Plan Administrator, by the end of the Calendar Year following the year in which the claim was incurred.

On termination of an Insured Person's coverage for any reason, including as a result of termination of this policy, written proof of claim satisfactory to the Plan Administrator must be received no later than 90 days following the date of termination.

Failure to give notice of claim or furnish proof of claim within the time prescribed herein does not invalidate the claim if the notice or proof is given or furnished as soon as reasonably possible, and in no event later than one year from the date a claim arises hereunder, if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed.

For claims information, contact the Johnson Inc. claims department at 780-413-6599 or 1-877-413-6599.

3. CO-ORDINATION OF BENEFITS BETWEEN TWO PLANS

If you are covered under more than one group plan simultaneously, benefit payments from all private and pre-paid plans will be co-ordinated so that the total does not exceed 100% of the Eligible Expenses incurred in compliance with the Canadian Life and Health Insurance Association (CLHIA) guidelines.

A copy of the explanation of benefits from the other insurance carrier and a photocopy of all receipts are required for consideration of the claim balance.

PLEASE NOTE:

a) This provision does not apply to any government health insurance;

b) If you have the same status under more than one plan, the plan that covered you the longest pays first.

Order of Benefit Determination

If a person is eligible to receive a benefit under the policy and the same or a similar benefit under any other contract, policy or plan, payment of benefits shall be decided in the following manner:

a) a plan without a Co-ordination of Benefits provision pays before a plan with a Co-ordination of Benefits provision;

b) when both plans contain a Co-ordination of Benefits provision, priority of benefit payment is attributed to the plan under which the Insured Person is entitled to receive payments in the following order:

    i) first to the plan to which the Insured Person is the insured participant or Member; or

    ii) second to the plan that the Insured Person is a Dependant of the insured participant or Member; or

    iii) a person who is an insured Dependant child under more than one plan, should submit to the plan where the parent, whose birthday is the earlier date in Calendar Year, is the insured participant or Member;

    iv) if priority cannot be established in the above manner, the benefit payments shall be pro-rated between or amongst the plans in proportion to the amounts that would have been paid under each plan had there been coverage by just that plan.

The Company is entitled to make payments to, and to recover payments from, other plans, as necessary in accordance with the intentions of this provision.

The Plan Administrator may (subject to the consent of the Insured Person, if so required by law), obtain from or release to any person or corporation, any information considered necessary to implement this provision and facilitate the payment of benefits under this agreement.

4. RIGHT TO RECOVER PAYMENTS

If after benefit payments have been made to or on behalf of any Insured Person, it is discovered that, due to clerical, electronic or administrative error, payment was made inadvertently or in excess of the amount(s) required to satisfy the terms of this policy, the Company reserves the right to recover the inadvertent or excess payment(s) from the Insured Person or to the organization to whom the payment was paid.

If the amount of the inadvertent or excess payment(s) cannot be recovered within a reasonable time period, the Company has the right to reduce future benefit payments to or on behalf of the Insured Person until such amount(s) are recovered in full.

5. SUBROGATION FROM A THIRD PARTY

If the Company pays any benefits in respect of a sickness or injury where a third party is liable, the Insured Person's right of recovery shall be subrogated to the Company <u>to the extent of the benefits paid</u>, and the Company may bring action in the name of the Insured Person to enforce such right where permitted by law.

In such an event, the Insured Person and his/her legal representative shall co-operate with the Company to facilitate recovery and settlement of any payments, in order to satisfy the intent of this provision.

6. AUTHORIZATION

An Insured Person as a condition precedent to receiving benefits under this agreement, consents to, authorizes and directs any person or corporation to provide the Plan Administrator with any reports, records, x-rays or other information relating to the treatment, services or supplies for which the claim is made.

7. LIMITATION OF ACTION

In the event of a claims dispute, an Insured Person must bring any legal action or proceeding against the Company within 24 months of the date the charges were incurred or the date on which they return to their province or territory of residence, whichever applies. All legal actions or proceedings must be brought in the Canadian province or territory in which the Insured Person permanently resides.
