

Prestige Travel Insurance Coverage for Trips outside Canada, Returning to Canada vs Home Province

Planning to travel outside Canada? Prestige Travel Insurance offers two Base Plan options: a 62-day option, and a 93-day option. Decide which is best for you:

62-day Base Plan: If you're planning to travel **outside of Canada for no more than 62 consecutive days** (counting your day of departure as Day 1, this would mean **you MUST be back in Canada** no later than day 62), this is the plan for you. As long as your stay outside Canada isn't longer than 62 consecutive days, coverage under your 62-day Base Plan remains in effect and can cover additional travel of up to 62 days abroad. If you're worried about travel delays, you should choose the 93-day Base Plan.

93-day Base Plan: If you're planning to travel **outside of Canada for no longer than 93 consecutive days** (counting your day of departure as Day 1, this would mean **you MUST be back in Canada** no later than day 93), choose this plan. If you'll be travelling outside of Canada for more than 93 consecutive days, a Supplemental Plan will also be needed. As long as your stay outside Canada isn't longer than 93 consecutive days, coverage under your 93-day Base Plan remains in effect and can cover additional travel of up to 93 days abroad.

Planning to stay outside of Canada for longer than 93 consecutive days? Contact Johnson Inc. to apply for a **Supplemental Plan and** extend your stay abroad! A **Supplemental Plan is trip-specific**, meaning it covers just that one trip. **The Supplemental Plan is needed until the day you return to your home province**, and you must be in your home province for at least 24 hours before covering a new trip under your 93-day Base Plan.

Are you planning to travel out of your home province but stay within Canada? Both the 62-day and the 93-day Prestige Travel Insurance Base Plan options include **unlimited travel within Canada**. With either plan, you can travel for an unlimited number of days within a policy year as long as you **remain in Canada**. Certain benefits don't apply in your home province.

Prestige offers up to \$5 million in medical coverage, including medical coverage for some eligible COVID-19 related incidents.
