If after benefit payments have been made to or on behalf of any Insured Person, it is discovered that, due to clerical, electronic or administrative error, payment was made inadvertently or in excess of the amount(s) required to satisfy the terms of the policy, the Company reserves the right to recover the inadvertent or excess payment(s) from the Insured Person or to the Policyholder to whom the payment was paid.

If the amount of the inadvertent or excess payments(s) cannot be recovered within a reasonable time period, the Company has the right to reduce future benefit payments to or on behalf of the Insured Person until such amount(s) are recovered in full.
